

You are cordially invited to a public information meeting to discuss the biannual update on the NPDES Storm Water Individual Permit.

Wednesday, January 22, 2014

5:30 p.m.

Cities of Gold Conference Center

10 Cities of Gold Road, Pojoaque, NM

The Individual Permit authorizes the discharge of storm water associated with industrial activities at Los Alamos National Laboratory from specified Solid Waste Management Units and Areas of Concern referred to as Sites.

Public meetings about the NPDES Storm Water Individual Permit Project are held twice per year, one meeting before the field season to describe work for the season and one following to outline results and discoveries.
